About Immedia Group Plc - www.immediapl.com

Immedia Group Plc supplies digital audio content solutions, delivered via a scalable audio content streaming platform which enables businesses to stream bespoke digital radio channels to internal and external audiences. Each bespoke channel includes interactive functionality and powerful data analytics tools which can be used to improve and fine-tune content to help increase audience engagement.

About the New Mobile Streaming Platform

Immedia's unique audio streaming platform enables businesses to deliver relevant audio content to their internal and external audiences. The platform works with an encrypted streaming app which also provides interactive features such as polls, catch-up and messaging. It is wholly scalable and Immedia has the capability to produce and deliver language specific audio content to companies with global operations.

Crucially, the platform features intelligent analytics capabilities that provide actionable insight to help businesses identify better ways to improve content and capture audience attention.
